

Good Day College Achieve Family,

As our virtual learning program continues, let me take this time to reaffirm College Achieve Paterson Charter School's intent to uphold our academic standards. While as always, especially in this time of crisis, we strive to support and work collaboratively with our school community, we must also ensure that all of our scholars are completing and submitting work in a timely fashion. With that being said we ask all our families to closely monitor the work of their scholars, prompting our young people to submit all of their assignments when due. We clearly understand the hardship of the times, however submission of assigned schoolwork can and will lead to enrollment in summer school, whether virtual or traditional, and in some extreme cases retention. In order to prevent this possibility from becoming a reality, we humbly ask our parental component to assist us in holding our scholars accountable.

Thank you again for your continued support of College Achieve Paterson Charter School.

Henry McNair
Mr. McNair
Principal
